**“We are on a highway to climate hell with  
our foot on the accelerator”**

Antonio Guterres,  
United Nations Secretary General

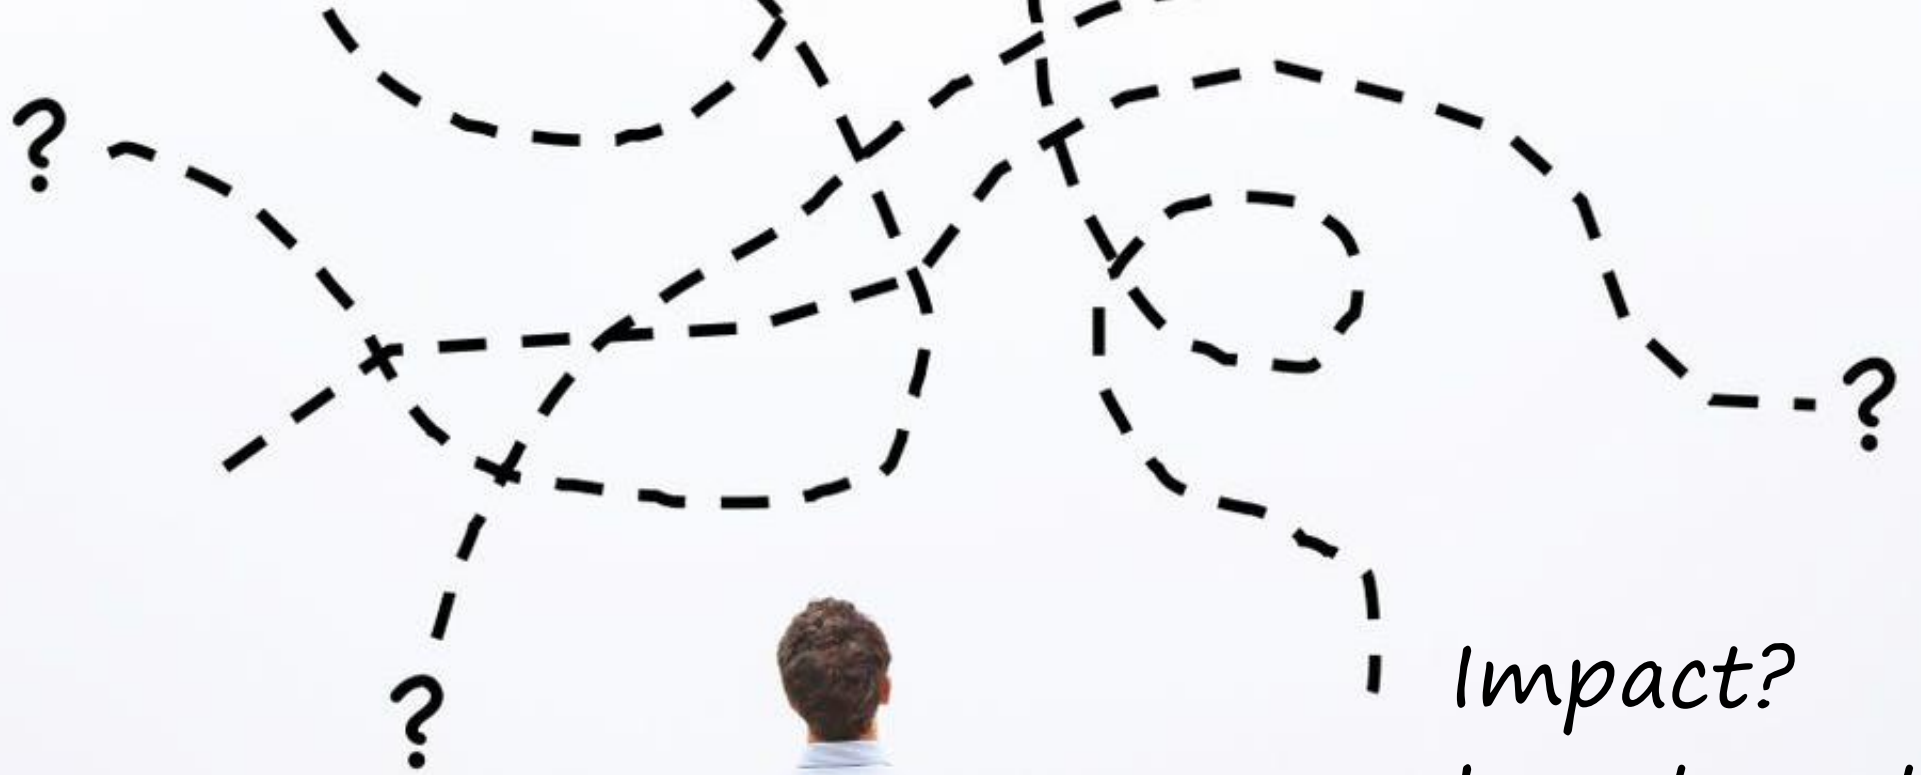

Policy paper:

# **Sustainability and climate change: a strategy for the education and children's services systems**

“With increased legislation on net zero, environment and nature, it is inevitable that we are going to have to ensure consistent reporting on the activity of our sectors.”

“By 2025: All education settings will have nominated a sustainability lead and put in place a climate action plan”
